

## RV PARK GUIDELINES

1. **GRILLS** - Due to local fire restrictions, the use of CHARCOAL is PROHIBITED anywhere on Sequoia Resort property. Use of propane GAS grills are permitted as long as they are placed upon a table or tailgate. There is a communal propane grill available for use at the picnic area.
2. **WIFI** – WiFi is available in the guest shop ONLY. The shop is open 8am – 9pm every day. Please do not try to connect to the WiFi from your RV space, it will not work and will only slow down the connection for other guests. Please disconnect from the network when you are done using it, so other guests can connect. Please be considerate of guests staying in the apartment and keep noise to a minimum.
3. **PET WASTE** - Please clean up after pets. Trash receptacles are at the end of the wood shed.
4. **LAUNDRY** - The guest laundry is available for use every day from 3pm – 9pm. Laundry is free to use if you have your own detergent. You can purchase laundry soap in the office for \$1.00/load. Please DO NOT start a new load of wash after 8pm.
5. **HONEY BEES** – Help us protect the bees living behind the office at Sequoia Resort. The bees like their privacy, so we ask that you do not go behind the office building into their area.
